

September 26, 2017

Dear Friends,

The Music & Fine Arts Ministries of Nativity BVM Cathedral is beginning a new Ministry journey by offering a Choral Society for our Biloxi Diocese – “*Gloria In Excelsis*”. This new program is designed to offer a wide range/variety of sacred musical literature for differing times throughout both the normal secular year and especially for the Liturgical Year. Any interested individual who likes to sing and share in choral/concert events outside of the confines of singing for Mass will enjoy the diversity and challenge this program will offer.

We humbly ask that you consider publicizing this program in your parish. We want to work with in our Diocese Community to afford all who participate a wide range of programs in our Family of Faith. Additionally, it is our hope that this Music Ministry Body will serve our Biloxi Diocese on various occasions such as the upcoming Ordination for new priests projected for December of this year.

Please share this with your parish family and friends and encourage folks to consider joining us for this new opportunity. We “Thank You” for your kindness in your effort and support and ask that you pray for the success of this new Music Ministry as we pledge to do the same for the Music Programs of our parishes in our Great Diocese of Biloxi.

“May God Richly Bless You, Keep You and Smile Ever Upon You! May You Know God’s Peace ~ Always!”

In Service to Our Loving God!

Terry D. Maddox, M.M.
Nativity BVM Cathedral’s
Minister of Music ~
Director of Fine Arts
